**Hanioti** is the pearl of the Greek sea which has more than 200 000 European tourists every year. It is situated on the first finger of the peninsula Chalkidiki in Northern Greece 100km south-east from Thessaloniki. It is a modern, touristic place with lots of beautiful hotels and suits. It also has a long sandy beach. In the very centre of Hanioti there is an amphitheatre in which the festival is held accompanied by several thousands of visitors.

The accommodation is organized in de lux suits and hotels with 1/3 and 1/4rooms 5 minutes from the centre and the beach. Only 2 double rooms are available per group which can be used for the Leaders and drivers. On the main square around the amphitheatre there are traditional restaurants in which we organize breakfast and lunch.

During the festival every ensemble has at least two shows- the main one in Hanioti and the other in one of the places of Municipality of Pallini. The shows are organized in the evening hours with a short defile at the start. After the shows the participants receive certificates and exchange gifts. During free days it is possible to organize rehearsals in the amphitheatre.
