Naxos is a very rich, fertile island : gold and sunny olive oil, organic fruit and vegetable; wonderful cheese, milk & meat from local goats & sheep ; herbs, spices & seasoning from the mountains. Kazantzakis, who lived & worked in Naxos, wrote that Naxos was "paradise on earth"...

Twice a day, morning & afternnon, we'll work with Katerina, to learn, prepare, share and taste wonderful dishes.

Every evening, we'll learn local traditional dances, word-famous "nisiotika", from Naxos and the Cyclads.
Because Naxos is also very fertile for music, tradition, dance and social life...

You'll come back from Naxos with the eyes, the nose, the ears, the soul and the hear full of unforgettable flavours !
And back home, you'll enchant your friends & relatives with your new talents for Greek cooking !!

Of course, we'll see and discover Naxos, its history, its culture, its tradition.
And we'll meet and live unique moments with the Naxians, whose hospitality has become legendary.

At the end of the week, which will be the Holy Week, we'll celebrate **Easter**, in the Orthodox way : 3 unforgettable days ! Easter is the most important feast in Greece.
